MORE ABOUT US

Our corporate vision clearly sets out what sustainability means at unicoasset.net and what we want to achieve is rooted in a belief that to operate successfully we must: Deliver short and long term value to all our stakeholders; and manage our impacts on the wider environment. That is why we invest in community-led developments in order to create thriving local economies and apply international best practice and policies when it comes to protecting people and the environment. We live this vision every day. unicoasset.net strives to provide strong risk-adjusted returns, we know that providing the right information, insights, and resources is equally important to helping our clients reach their critical financial goals. **CONSISTENTLY RECOGNIZED FOR LEADERSHIP IN PROVIDING SERVICE** We make our business sustainable by ensuring the highest standards of ethics and service, building a resilient investment process, and developing an inclusive workplace culture engaged with our community. **Start Now** We pursue outperformance of benchmarks and peers through differentiated, in-house research and a risk-aware approach. We believe that achieving high-quality performance for investors depends on combining sources of excellence. Deep Global We are long-term, value-based investors focused on building diversified portfolios that outperform over the long term. We develop an asset allocation that is carefully aligned to each client's investment objectives and risk tolerance, and we use active managers where we expect they will deliver above-market returns, net of their fees. **Designed To Serve You** We fundamentally believe that clients should not have to choose between a global firm with deep investment resources and a boutique firm with a personal touch. Our ultimate goal is to deliver outperformance with a portfolio that is right for you.

A PROFITABLE INVESTMENTS FOR INVESTORS unicoasset.net has sought to align our interests with those of our investors, investment partners, and employees. This has allowed us to proudly build and maintain a culture of ethical behavior, transparency, and social responsibility in both our investments and our operations. By performing a wide range of operations, unicoasset.net makes profits from different diversified sources like trading operations on the cryptocurrency and currency markets, dividends from the implementation of successful startups, and commissions for exchange operations for large legal entities. As a global investment firm, we foster diverse perspectives and embrace innovation to help our clients navigate the uncertainty of capital markets. We're fostering a culture of diverse perspectives and innovation to help advance our clients' success. And we're doing it responsibly—from how we act to how we trade—because outcomes mean more than financial returns. We're committed to helping you achieve better outcomes...the way you define them. We get there by empowering diverse perspectives and breaking through boundaries. We're collaborative and connected—and we never stop working for you. **ALGORITHMIC TRADING** In addition to manual trading by

top-level traders, our specialists have developed specialized software (robots) that trades according to specified algorithms and brings a stable income to the company.
